# Meyers' Great Spring Sale of Housefurnishings

## \$3.50 Canary Birds \$2.39.

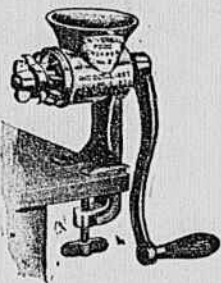

We've a number of these charming little songsters that we recently imported from Germany. Every one guaranteed to sing or money refunded after a week's trial, each \$2.39 instead of \$3.50.

THE SPRING is usually the time of the year that is set apart by the thrifty housekeeper for thoroughly renovating and refurnishing the home. For this reason this Great Spring Sale of Housefurnishings is very opportune. While it is true that this sale consists chiefly of Kitchen and Dining Room Furnishings, yet there are lots of useful things for other parts of the home that are also included. Our tremendous output gives us an unusual influence with the manufacturers—we buy direct from them in large quantities and therefore get the very lowest prices. This sale has been liberally planned. The best products of both this and the "old country" are here in large and well chosen assortments. Every article concerned is of the first quality—we do not handle the inferior seconds. This sale affords the housekeepers of Newport News and vicinity a most unusual opportunity to supply the many needs of the coming season at a remarkable saving. Get here early tomorrow.

## Our Mail Order Department.

Is one of the most complete and thoroughly organized in the state. If you can't attend this sale in person order by MAIL or TELEPHONE. Just as much care and attention will be given your order as if you were on the spot.
